

DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee

SECOM-D-363

6 SEP 1978

MEMORANDUM FOR: Director of Technical Service
THROUGH: Deputy Director, Science and Technology
FROM: Robert W. Gambino, Chairman
SUBJECT: Commendation
OTS Analysis [REDACTED]
ESD Project 78-3001

STAT

1. The Chairman of the Technical Surveillance Counter-measures Subcommittee has brought to my attention expressions of admiration and appreciation received from concerned NFIB members in connection with the OTS analysis [REDACTED]
[REDACTED]

STAT

2. I commend the Office of Technical Service for an outstanding report and their exhaustive technical analysis. Concise, succinct and definitive, the report marks those qualities and reflects those characteristics that identify personnel of your service as being of the highest professional caliber.

3. The magnitude of the undertaking undoubtedly demanded significant inputs from many disciplines. I would appreciate it if you mentioned this expression of appreciation in a suitable form so as to make them aware that their efforts are appreciated. I single out for special thanks [REDACTED]
[REDACTED]

STAT

[REDACTED] for their work in coordinating and preparing the final product.
